Undici

Undici is a compact, elegant, versatile machine that's easy to use, adjust and maintain. UNDICI is made of steel and aluminium. It has a fixed-nozzle thermosyphon system that's adaptable and high-performing, guaranteeing excellent results in the cup. The new, mechanical button pad is in metal and lies flush with the machine. It's user-friendly and precise, thanks to the LED lights. UNDICI comes in 3 colours (black, white and red) and 3 versions (semi-automatic, automatic and automatic "Coffee-to-go" for cups up to 14.5 cm high), with 1, 2 or 3 groups.

The machine can be personalised thanks to the wide front and rear logo strip.

- Compact size
- Reliable, high-performing thermal system
- New button pads with LEDs
- Can be personalised

INNOVATIVE THERMAL SYSTEM

Fixed-nozzle thermosyphon system that's adaptable and high-performing, guaranteeing excellent results in the cup.
